

How To Apply For the Canada Greener Homes Loan in 7 Steps

- 1) Book your no obligation consultation with one of our Window & Door Specialists where we will take the time to answer your questions and find the right energy saving solutions to suit your home.**
- 2) Have a Pre-Retrofit energy assessment completed. We are happy to point you in the right direction to help you make this arrangement.**
- 3) When speaking with your Energy Advisor, be sure to let them know you would like to apply to the Canada Greener Homes Loan Program.**
- 4) Complete your loan application and be sure to keep a file of all your documents including invoices for as long as, and up to March 2028.**
- 5) Order your new energy-efficient windows and/or doors from Douglas Window & Door and we will be happy to professionally install these for you.**
- 6) Complete a Post-Retrofit energy assessment and submit any required documentation required.**
- 7) Receive your funding and enjoy your new energy efficient windows and doors while saving money on your energy bills and on the financing interest!**

Disclaimer: The Canada Greener Homes Loan Program

Please be advised that Douglas Window & Door Inc. is not affiliated with the Government of Canada or the Canada Greener Homes Loan Program. We provide information about this program solely for the convenience of our customers. The Canada Greener Homes Loan is administered by Natural Resources Canada (NRCan) and is subject to specific eligibility requirements and terms set by NRCan.

Key Points to Note

ELIGIBILITY AND APPLICATION

Customers must meet the eligibility criteria and complete the application process as outlined by NRCan. We recommend visiting the official Canada Greener Homes Loan website or contacting NRCan directly for detailed information.

INDEPENDENT ASSESSMENT

The loan program requires an independent home energy assessment by a registered energy advisor. Douglas Window & Door Inc. does not conduct these assessments but can provide recommendations for qualified professionals.

APPROVAL AND FUNDING

Approval of the loan and the amount awarded are at the sole discretion of NRCan. Douglas Window & Door Inc. does not guarantee loan approval or funding.

USE OF FUNDS

The loan funds must be used for eligible renovations and upgrades, as defined by NRCan. It is the customer's responsibility to ensure that their planned improvements meet these criteria.

TERMS AND CONDITIONS

All loan terms and conditions are determined by NRCan and are subject to change. Customers should review these terms carefully before applying.

Douglas Window & Door Inc. aims to support our customers in making their homes more energy-efficient. However, it is important to understand that participation in the Canada Greener Homes Loan Program involves separate processes and requirements beyond our control. For accurate and up-to-date information, please refer to the official Canada Greener Homes Loan resources.
